

The Employ Florida Marketplace

The Employ Florida Marketplace (EFM) is a powerful online labor market exchange tool specifically designed for employers, job seekers, students, training providers, workforce customer service representatives and professionals, and others seeking benefits and services. It is considered another component of the Employ Florida network of workforce services and resources. In addition to using the nearly 100 one-stop centers with physical locations throughout Florida, now our customers can find and access our services virtually anywhere using the Employ Florida Marketplace.

The Employ Florida Marketplace provides fast access to a complete set of employment tools in one web site. This system is designed to be comfortable for everyone, even the person who has little computer experience.

Employer users will find the following features helpful:

- Define skills and post job orders to find potential candidates
- Research labor market information on salaries and economic data
- Set up a Virtual Recruiter search agent to automatically find candidates within the system that match the job skills of the job order
- Communicate with job seekers, workforce customer service representatives, training providers, and others within the system email and message center.

Features to help job seekers and students within the system include:

- Use a professional format to create and send resumes and cover letters to employers
- Assess your job skills, set goals, and research training providers
- Review available jobs and apply online
- Set up a Virtual Recruiter search agent to automatically review job postings and notify you of jobs that match your skills
- Track your job search efforts and resumes sent in a personal profile folder online
- Learn about services and benefits for which you may be eligible
- Determine a budget and plan for training
- Research regional labor market information, such as salaries
- Use the email/message center to contact employers and workforce customer service representatives
