Information from Enterprise Florida's Web site: The Roadmap to Florida's Future is a 5-year statewide strategic plan for economic development. Created through broad grassroots outreach and expert input, the Roadmap identifies priorities and specific action recommendations to diversify Florida's economy for global competitiveness.

In June/July, regional forums will be held across the state to develop the 2010-2015 Roadmap.

- 1) a regional panel and discussion of the top 3-4 issues impacting economic development in the region
- 2) a panel discussion of leading statewide economic development issues
